

PRECISION RIFLE AND CMP RIFLE

CMP RIFLE: \$ 10.00 per shooter Open to the public.

Any Military Rifle Foreign or Domestic with Iron Sights and Center Fire is a requirement. Target used SR-3 or MR52.

PRECISION RIFLE: This is a NRA "F" Class that has been modified for our AFG range.

1. Basics: any center fire rifle in any caliber, scoped with no limit on power magnification. Fired at 200 yards. Target TBA.

2. Rifle weight is limited to 22 pounds, Wet.

3. Fired from the Prone position, and must be fired with rifle mounted to your shoulder, No Rail Guns.

4. 20 + 5 rounds for each relay will be needed. 5 rounds in 10 minutes for sighter's, 20 rounds in 20 minutes for record.

I recommend have at least 30 rounds for per relay.

Equipment needed for you prone position

1. Rifle & Ammo

2. Shooting Mat to lay on, you can use sleeping bags, towels ect. if you do not bring something to lay on, you will be on the dirt!

3. Spotting Scope, if you have a 20x or better scope not necessary.

4. Shooting glasses & ear protection

5. Clip board, paper, pen / pencil.

5. I recommend, bring water, hat, a snack, For further info call
